Awards and Recognitions

AWARDS AND RECOGNITIONS

Intel and our employees have been recognized for a number of corporate initiatives and charitable endeavors. In the past year, we have received over 80 recognitions for our corporate responsibility efforts at the local, national, and global level. And while winning awards is certainly not the motivation behind these efforts, the recognition is always appreciated. The following is a listing of some of the recent awards Intel has received.

[Dow Jones Sustainability Indexes Member >](#)

In September 2010, Intel was included in the Dow Jones Sustainability World and North American indexes for the twelfth consecutive year (since inception).
