

INTEL INVOLVED MATCHING GRANT PROGRAM

Earn \$\$ for Our School

Intel's expanded matching grant program adds up to big benefits for schools! After a minimum of 20 hours volunteered by Intel employees at our school, Intel will match with a \$10/hour grant to our school. With no cap on how much a school can earn, please help us maximize our earnings by encouraging Intel employees to volunteer in our school and report their hours to Intel! All volunteer activities are eligible, including classroom help, after school coaching, board leadership, field trips, etc.

Visit www.intel.com/community/arizona/education.htm for more information or contact intel.involved.az@intel.com.
