

Intel[®] Education Resources

INTEL EDUCATION RESOURCES (INTEL ER) CONTENT APPLICATION

- High-quality digital education content for teachers and students.
- Intel's own education content and content from other best-in-breed education companies:
 - Intel[®] skool™ Math and Science lessons;
 - British Council interactive lessons for teachers and students of English language skills;
 - Khan Academy Math tutorial lessons;
 - Third-party localized content from best-in-breed educational content providers.
- Content organized and accessible via the Intel ER User Interface.
- Content is pre-loaded so the education experience is instant and positive regardless of connectivity.
