

IDF14

Plan Your Best IDF

Welcome to IDF

IDF is the premier technology conference and the perfect place to meet and connect with Intel experts and industry leaders. During IDF you will hear about the future of technology from Intel visionaries, learn and network in our Technical Sessions, and see the newest innovations demonstrated in the Technology Showcase. Use this guide to help familiarize yourself with all that IDF has to offer.

Tips for the IDF Attendee

Plan Ahead. Save time by planning your day in advance. Decide what elements of IDF you want to attend including; Opening Keynote, Mega Sessions, Technical Sessions, and Technology Showcase Exhibits. Access the IDF schedule and details at Intel.com/idf.

Use the IDF Mobile App. Download by visiting idf2014.intel.com available Friday 9/5. You can create a custom schedule to help plan your day. Use the mobile app to expand your professional network, interact in real time, and have fun!

Network. Stop by Engineering Central on Level 2 and schedule a private 1:1 with an Intel Engineer. Check out what's happening in the Networking Plaza in the Technology Showcase. Take time to connect, play, and experience the exciting activities with fellow attendees in the IDF Recess area on Level 3.

Have Fun! Check out "Chip" IDF's Robot Fortune Teller on Level 3. On Wednesday starting at 4:00 pm, join the Pub Crawl in the Technology Showcase on Level 1. Don't miss the IDF Attendee Appreciation Party Wednesday evening, featuring a live performance by Weezer.

IDF Resources

Info Desk The Info Desk is located on Level 2. Get help with questions you may have including: using the IDF wireless connection, assistance with the IDF Mobile App, and finding your way to the Technology Showcase or a specific Technical Session.

Internet Access Wireless access is available throughout the venue; it is open (no encryption) and the SSID is IDF2014. (Not available in the Technology Showcase Hall.)

Pocket Guide The Pocket Guide is your source for all things IDF. Find information on the Technical Sessions, Technology Showcase, Forum Programs, Maps, and other resources.

Technical Session PDFs PDFs for most Technical Session presentations are available by 10:00 a.m. the day of the session and can be downloaded at intel.com/idfsessionsf. Audio recordings will also be available for download two weeks after the event.

Opening Keynote and Mega Sessions

Hear directly from Intel's leaders as they share the latest advancements in Intel® technologies, vision, and outlook for the industry.

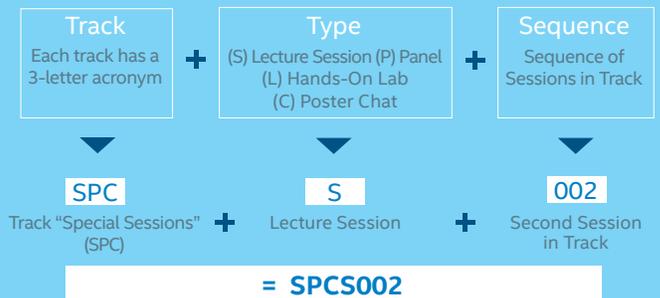

Technical Session Elements

Technology Insight	Straight from Intel's brightest minds, get the latest on Intel® technologies and the opportunities that lie ahead.
Intel Fellows: Live and Uncensored!	A panel of Intel Fellows is ready to answer all of your toughest questions.
Lecture Sessions	Learn about technology topics relevant to planning or designing new products in a classroom setting.
Labs	Get hands-on experience and information for a number of critical technology areas.
Poster Chats	These small informal gatherings are where researchers and developers show posters of their latest projects.
Panels	Hear from multiple experts on a topic. This year, IDF has more panels than ever before.
Sponsor Sessions	Discover new opportunities and dive deep into the latest technology from key supporters of IDF.
