

# Intel Foundation Disaster Relief Support - Pakistan

In the wake of the recent floods in Pakistan, the Intel Foundation has approved a donation of \$100,000 to the American Red Cross who is working directly with the Pakistan Red Crescent Society on the relief efforts. In addition to direct donation, the Intel Foundation is offering an employee matching program. To date, more than 150 employees have given over USD \$50,000 to various relief agencies – dollars that will be matched by the Intel Foundation.
