

Intel® NUC

Explore. Express. Extraordinary.

Less waiting, more doing

The Shape That Fits the Future.

Intel® NUC

Explore. Express. Extraordinary.

YOUR CONTENT CREATION SOLUTION

The Intel® NUC kit built with a 5th generation Intel® Core™ i7 processor takes the powerful capabilities of a complete desktop system and packages it into 4 small inches. Get premium performance and eye-popping visuals you need to create, entertain, and inspire. Whether you're working on video or music, creating animations or retouching photos, the Intel NUC is a Mini PC kit that has the performance you need to get the job done.

LOVE WHAT YOU SEE

Powerful and vibrant visuals with Intel® Iris™ graphics and 4K display capabilities gives you an immersive experience. View your images in amazing 4K, have your tools on a second monitor. How good is that?

HIGH-END COMPUTING, LOW-PROFILE STYLE

Incredible performance all in a pint sized package. We take our fastest processor and best graphics engine and pack it all into an energy efficient 4 inches square. It's a Mini PC that's got huge performance.

MINI PC, MAXIMUM PERFORMANCE

Whether it's HD or 3D, multitasking or multimedia, the Intel Core i7 processor delivers the adaptable speed and responsiveness you need to create content.

SEE THAT?

Photo and animation visuals just got more vivid with Intel® Iris™ graphics. No additional graphics card required for amazing 3D graphics performance and faster, smoother rendering of all your images.

M.2 SSD AND HDD

THE BEST OF BOTH WORLDS

The Intel NUC lets you install a lightning fast M.2 SSD and a 2.5" drive. Now you really can have it all—fast data transfers and room to store all your files.

RESPONSIVE AND READY

With Intel® Rapid Start technology¹ and Intel® Ready Mode technology,¹ you don't have to wait to begin editing your files or miss out on video calls with design partners.
