

Red Rock Canyon Highlights

What	Where	When	
Intel® Rack Scale Architecture (Intel® RSA) with Quanta/EMC demo: Asset discovery and assembly, software defined storage, OpenStack and OpenDaylight	Data Center and Software Defined Infrastructure Community Booth 371 and 377	Technology Showcase Hours: Aug 18, 11am to 7pm Aug 19, 11am to 1pm, 4 to 7pm Aug 20, 11am to 2pm	
Huawei X6800 Data Center Server demo: Mature high density server for cloud datacenters using OpenStack	Data Center and Software Defined Infrastructure Community Booth 376	Technology Showcase Hours: Aug 18, 11am to 7pm Aug 19, 11am to 1pm, 4 to 7pm Aug 20, 11am to 2pm	
Inspur Pampas Intel® Rack Scale Architecture demo: Fabric autoconfiguration including multipath and failover	Data Center and Software Defined Infrastructure Community Booth 373	Technology Showcase Hours: Aug 18, 11am to 7pm Aug 19, 11am to 1pm, 4 to 7pm Aug 20, 11am to 2pm	
Advantech FWA-6500R Xeon processor-based 2U network application platform	Intel® Network Builders Community	Technology Showcase Hours: Aug 18, 11am to 7pm Aug 19, 11am to 1pm, 4 to 7pm Aug 20, 11am to 2pm	
400G NFV Demo: Scalable 400G NFV Infrastructure Using NSH and Multiple 100 Gbps Servers	Data Center and Software Defined Infrastructure Community Booth 271-272	Technology Showcase Hours: Aug 18, 11am to 7pm Aug 19, 11am to 1pm, 4 to 7pm Aug 20, 11am to 2pm	
Tech Chat: 100 Gb Ethernet Service Function Chaining on the Intel® Open Network Platform	Level 2 Tech Chat Station 8	Aug 18, 1 to 3pm	Dan Daly, Uri Elzur, Intel Software Defined Networking Division
Technical session: Better Together: Service Function Chaining and the Road to 100 Gb Ethernet	Level 2 Room 2002	Aug 20, 2:15 to 3:15pm	Dan Daly, Uri Elzur, Intel Software Defined Networking Division
