ISDF Paper Submission Terms and Conditions

Altera® Corporation, its parent company and its subsidiaries (Altera) wants to maintain the quality and integrity of any papers, documents or presentations (collectively or individually, a “Paper”) that are submitted to Altera for the Intel SoC Developers Forum (ISDF) and are posted on www.altera.com and related pages. By contributing a Paper to this website, you agree to be bound by these terms and conditions. Please read them carefully. If you do not agree to all of these terms and conditions, please do not submit a Paper. We reserve the right at any time to change these terms and conditions without prior notice to you, and your continued access to our website constitutes your acceptance of any updated or modified terms and conditions. The terms Altera”, “we”, “us,” and “our” refer to Altera Corporation, a Delaware corporation and its parent company and our subsidiaries. The term “you” or “your” refers to anyone contributing a Paper to Altera. If you do not agree with any of the terms and conditions in this Paper Submissions Terms and Conditions, do not submit your Paper.

By submitting a Paper to the Altera website, you agree to publishing your Paper on our website and distribute it to participants.

By submitting a paper to Altera, you warrant to us that:

- Your words are your own, are not the property of another person, and are not copied or taken from another document or website.
- You are at least 18 years old.
- You are not employed by Intel, Altera, or its affiliates and subsidiaries.
- In connection with your Paper, you have not been compensated or granted any consideration by Intel, Altera, their respective affiliates and subsidiaries, a business partner, or any third party, except in the case of certain keynote speakers.
- You will not use a false email address, impersonate any person or entity, or otherwise mislead as to the origin of the content of your paper.

Please be aware that by submitting your Paper, you grant to Intel, Altera and their respective affiliates and subsidiaries a nonexclusive, royalty-free, perpetual, irrevocable, assignable, transferable and fully sublicensable right to use, reproduce, modify, adapt, distribute, publish, publicly display and create derivative works from your Paper. You also agree that you, on behalf of yourself, your business partners, and your affiliates and subsidiaries, will not assert any Intellectual Property Rights against Intel, Altera, or their respective licensors, affiliates, and subsidiaries relating solely to the subject matter or content of the Paper, including but not limited to any claims of direct or indirect infringement arising therefrom for making, having made, using, selling, offering for sale, exporting, importing, or other disposition (including the license) of any Intel or Altera product.
that embeds, integrates, is bundled with or otherwise uses the technology described in the Paper. For purposes of this document, the term, “Intellectual Property Rights” means the collective intellectual property rights now held or hereafter created or acquired by a party, whether arising under the laws of the United States or any other state, country or jurisdiction, for (i) all classes or types of patents, including, without limitation, utility models, utility patents and design patents, patent applications and disclosures; (ii) all copyrights and moral rights in both published and unpublished works and all registrations and applications thereof; (iii) all mask works and all registrations and applications thereof; (iv) all trademarks and all registrations and applications thereof; and (v) all inventions, rights in know-how, trade secrets, and confidential, technical and non-technical information; and (vi) any and all similar or equivalent rights throughout the world.

While Intel and Altera abide by Intel’s privacy policies, it is essential that you understand that your Paper WILL NOT be deemed to be confidential. While your full name, address, phone and/or email contact will not be posted publicly, by submitting a Paper, you agree that:

- The content and information that you submit may be used on any website owned or operated by Intel or Altera.
- The content and information that you submit may be published on an Intel, Altera or their respective affiliate’s or subsidiaries’ website.
- Intel or Altera customer service personnel and other support staff may respond or comment on your Paper.

We reserve the right to edit or remove reviews or comments to your Paper for any reason in Intel’s or Altera’s sole discretion, including:

- Altera will not share any personal identification information in any Paper with any third party.
- We will not publish overly identifying information with your Paper.
- We will never share your email address with any other company without your prior written permission.
- To the best of our ability, we will endeavor to post papers whose content is accurate, fair, and useful. We reserve the right to edit or remove Papers or comments for the following reasons:

- Information in the Paper or comment is factually incorrect.
- Your Paper contains illegal, obscene, threatening, hateful, racially or religiously biased or offensive language.
- Your Paper infringes the Intellectual Property Rights of Intel, Altera or others.
- Your Paper is libelous, slanderous, defamatory or may otherwise cause injury or damage to Intel, Altera or third parties.
- Your Paper is found to contain software viruses, worms or other potentially damaging computer programs.

By submitting a Paper, you agree to defend and indemnify Intel, Altera and their respective subsidiaries and affiliates and any of their officers, directors, employees and agents from and against any claims, cause of action, demands, recoveries, losses, damages, fines, penalties or other costs or expenses of any kind or nature including but not limited to reasonable legal and other fees, brought by third parties as a result of your breach of these Terms and Conditions, your violation of any applicable law or the rights of any third party, or your use of this website.
This website is operated by Altera Corporation, a Delaware corporation. You hereby consent to the exclusive jurisdiction and venue of state and federal courts in the State of Delaware for all disputes arising out of or relating to your use of this website.

Disclaimers: Intel, Altera, and their respective subsidiaries and affiliates do not assume any liability or responsibility for the accuracy, completeness, reliability, or usefulness of the information posted, disclosed, or accessed by visitors to this website. The use of such information shall be at the user’s sole risk. In no event shall Intel, Altera, and their respective subsidiaries or affiliates be liable for any direct, indirect, special or consequential damages, or any damage of whatever kind resulting from whatever cause, including but not limited to, any loss or damage to property and injury or death to persons, arising out of or in any relation to the use of the information on, or accessed through this website.
