Make a switch to the new and improved Online Warranty and Support

OVS

Live Chat is currently only available for Intel Channel Partner Program Members.

The Online Warranty and Support (OVS) lets you submit return and support requests, track open issues, view your history in one convenient online location, and is accessible anytime.

Enter OWS

2

1 Launch [Intel Technology Provider](#) in your web browser

2 Click on the Enter OWS button to open the log in page

3 Click [Forgot your Login ID?](#)

Login ID: [more info](#)

3 [Forgot your Login ID?](#)

Password:

[Forgot your Password?](#)

Remember my Login information - [more info](#)

4 Enter your E-mail address and click **Continue**

5 Your **Login ID** will be sent to your registered e-mail address. If you already know your password and wish to login in immediately, proceed to the login page by clicking **Continue**

6 The e-mail containing your login ID will look similar to the one illustrated here

7 Enter the **Login ID** and **Password** then click **Login** to log into the Intel® Technology Provider

Note:

The arrival of notification e-mails might vary based on network performance. If you fail to receive your temporary password after 2 business days, kindly check with the support team.

Forgot Your Login ID?

Enter your e-mail address and click **continue**. Your Login ID will then be sent to your e-mail address.
