--	---

Dear Sir,

1. With reference to your Application, we are pleased to inform you that it has been decided to grant you registration as per details given below :

Product	POWER ADAPTERS FOR IT EQUIPMENT
IS No.	13252 (Part 1) : 2010
Brand :	LITE-ON
Model :	PA-1400-76, PA-1900-32
Factory Address	M/S. LITE-ON TECHNOLOGY (CHANGZHOU) CO. LTD., NO.88 YANGHU ROAD, WUJIN HI-TECH INDUSTRIAL DEVELOPMENT ZONE, JIANGSU PROVINCE, CHINA (EXPORT PROCESSING ZONE) CHINA

2. The Registration is being granted for your unit located at the address and for the brand and models mentioned at serial no 1 above.

3. The number assigned to this Registration is **R-41012386** which has been made operative from **20 Feb 2015** and is valid upto **19 Feb 2017**. The Registration Number should invariably be referred to in your future correspondence.

4. The rights and privileges under the registration shall not be exercised by any other factory / organization at any other location. This registration is not transferable. In the event of shifting of the manufacturing machinery from the registered premises to some other place use of the Registration Number shall be stopped and BIS shall be informed.

5. You shall comply with the provisions of Bureau of Indian Standards Act, 1986 and Rules and Regulations framed there under and as amended from time to time.

6. You shall apply self declaration on articles on those articles for which registration has been granted. You shall display the words **"Self Declaration – Conforming to IS 13252 (Part 1):2010, R-41012386"** both on product and packaging as per stipulated Labeling Requirements enclosed at Annexure-I. You may also refer to Order for Labeling requirements ref. BIS/DGO/(405) dated 31 July 2014 available on BIS website.
7. You shall not use the registration in any manner which contravenes the provisions of Bureau of Indian Standards Act, 1986 and Rules and Regulations framed there under and as amended from time to time.
8. Upon expiry of validity, stoppage or suspension or cancellation of registration, you shall discontinue forthwith the self declaration of conformity to the relevant Indian Standard(s) and withdraw all promotional and advertising matter which contains any reference thereto.
9. As per your declaration, **Mr. Sanjay Varshney, 150 B, 2nd Floor, Kilokari, Opp. Maharani Bagh, Ring Road, New Delhi-110014** is your authorized Indian representative. Any intended change in the name of the Indian representative ought to be brought to our notice immediately.
10. You are requested to furnish the Agreement for grant of Registration duly executed on a non-judicial stamp paper of Rs.100/- incorporating the terms and conditions of the BIS Registration granted to you as per the format available on BIS website within 15 days of issue of this letter. In case, the Agreement is not submitted, we may have to process the case for cancellation of Registration.
11. It may be noted that for consideration of renewal of your registration, you shall have to apply to BIS at least one month in advance before expiry of the validity period. Application Form for Renewal (FORM IX) is available on BIS website.
12. Kindly acknowledge receipt of this letter.

Thanking you,

Yours faithfully,

(J. Majhi)

### **Annexure-1**

The labeling requirements on product/packaging shall be as below :

1. The words "*self declaration – conforming to IS \_\_\_\_\_, R \_\_\_\_\_*" shall be visibly and legibly included preferably in the data plate or any other label typically containing markings like ratings, specification, sr. no , model no, brand name etc that is affixed to the product and also show any other certifications that the product may have obtained.

or

2. Where the compliance statement is not a part of the data plate,; it may be affixed visibly, legibly and indelibly on the product by any of the following means:

- a) Printing / screen printing,
- b) Embossing,
- c) Engraving,
- d) Separate Metallic labels (Aluminum deposition with plastic/metalized polyester) or Sticker made of PVC/PET/Polycarbonate/Polyester/Polypropylene/BPA or any other similar material

3. Where the compliance statement is affixed by way of a separate metallic/sticker as in 2 d) above, the same shall be permanently affixed inside a separate label slot in a manner so as to remain on this product till the end of the life of the product. The exemption for separate label slot is permitted till 31 December 2015 or for a period of six months from the date of release of BIS logo, whichever is earlier.

4. The above statement shall also be printed on the packaging at a prominent location. The statement can be affixed by way of tamper proof and non-removable stickers of any material on the packaging.

5. The compliance statement on the product as well as the packaging shall be affixed/marked at a prominent location or at any other place so that it is clearly visible to the user. The display of words of statement shall be of a minimum font size of 12 or ½ of the size of the brand name whichever is lower, subject to a minimum of 6 font size. However it shall be similar in size of other certification marks.

6. In case of products which are too small in size and the statement cannot be marked on the product, the same shall be given on the packaging and accompanying document. The marking on the product shall neither be omitted nor be moved to the packaging or accompanying documents on purely aesthetic grounds.

7. In general, all markings required to be on the equipment shall be durable and legible, and shall be easily discernable under normal lighting conditions.

Unless otherwise specified, Instructional safeguards do not have to be in colour. If an instructional safeguard is in colour, the colour shall be in accordance with the ISO 3864 series. Markings that are engraved or moulded need not be in contrasting colours provided that they are legible and readily discernable under normal lighting conditions. Printed or screened markings shall also be permanent.

8. The durability of marking shall be as per the procedure given below:

- (a) Each required printed or screened marking shall be tested.
- (b) Testing Procedure : The test is conducted by rubbing the marking by hand without appreciable force for 15s with a piece of cloth soaked with water and at a different place or on a different sample for 15s with a piece of cloth soaked with the petroleum spirit (Petroleum spirit is a reagent grade hexane with a minimum of 85% n-hexane).
- (c) Compliance Criteria : After each test, the marking shall remain legible. If the marking is on a separable label, the label shall show no curling and shall not be removable by hand.
- (d) In case the durability of marking has already been tested as a part of the relevant product safety standard it need not be tested separately.
