May 21st, 2007

Dear Intel storage product customer:

Intel is announcing the product discontinuance of the Intel® Storage System SSR212PP in the 250GB drive configurations. This does not affect any of the related Intel® Storage System SSR212PP 500GB configurations. (see below for specific product codes on these systems).

This notification affects the following server board product codes:

<b>Product Code</b>	<b>MM#</b>	<b>Savings (Effective 5/27/07)</b>
SSR212PP2F250	883207	15%
SSR212PP2i250	883678	15%
SSR212PPF250	883628	15%
SSR212PPi250	883631	15%
APPHDD250	883648	20%

Customers have two (2) months to place final orders and two (2) months to take the final delivery of products. Final orders will be provided while the supplies last.

**Replacement products:**

Customers can still purchase all of the Intel® Storage Systems SSR212PP in the 500GB configuration, including:

SSR212PP2F500  
SSR212PP2i500  
SSR212PPF500  
SSR212PPi500

Additionally, customers may transition to Intel® Storage Server SSR212MC2. The SSR212MC2 is a flexible and high performance hardware platform for DAS, NAS and SAN.

**Summary:**

1. This product discontinuance notification is effective June 1, 2007
2. Final purchase orders for the affected products must be placed by August 1, 2007
3. The final quantity to be shipped must specify a customer request date (CRD) no later than October 1, 2007
4. Product availability is while supplies last.

All final purchase orders as of May 31<sup>st</sup>, 2007 for the listed products are non-cancelable and non-returnable, notwithstanding any conflicting terms in our quotes, purchase order acknowledgment or Distributor agreements.

Contact your local Intel Sales Office or Distributor if you require more information or need assistance in selecting a replacement product.

Sincerely,

EPSP Marketing
