Intel Corporation is providing the APP Product Matrix for those customers located in countries where the APP is still required as a measurement of processor performance. BIS no longer requires exporters to determine the APP. All information provided in the APP Product Matrix is strictly a recommendation to the user, and should be used in conjunction with the local country regulation requirements. All the information contained herein are based on Intel product specifications and are subject to change without notice. Intel makes no representation or warranty as to the accuracy or reliability of such specifications. These calculations are provided "AS IS" with no warranties whatsoever, including any warranty of merchantability, noninfringement, fitness for any particular purpose or any warranty otherwise arising out of any proposal, specification or sample. Intel disclaims all liability, including liability for infringement of any proprietary rights, relating to use of information in these calculations. No license, express or implied, by estoppel or otherwise, to any intellectual property rights is granted herein.
