Notices & Disclaimers

Performance varies by use, configuration and other factors. Learn more at www.Intel.com/PerformanceIndex.

All product plans and roadmaps are subject to change without notice.

Intel technologies may require enabled hardware, software or service activation.

No product or component can be absolutely secure.

Your costs and results may vary.

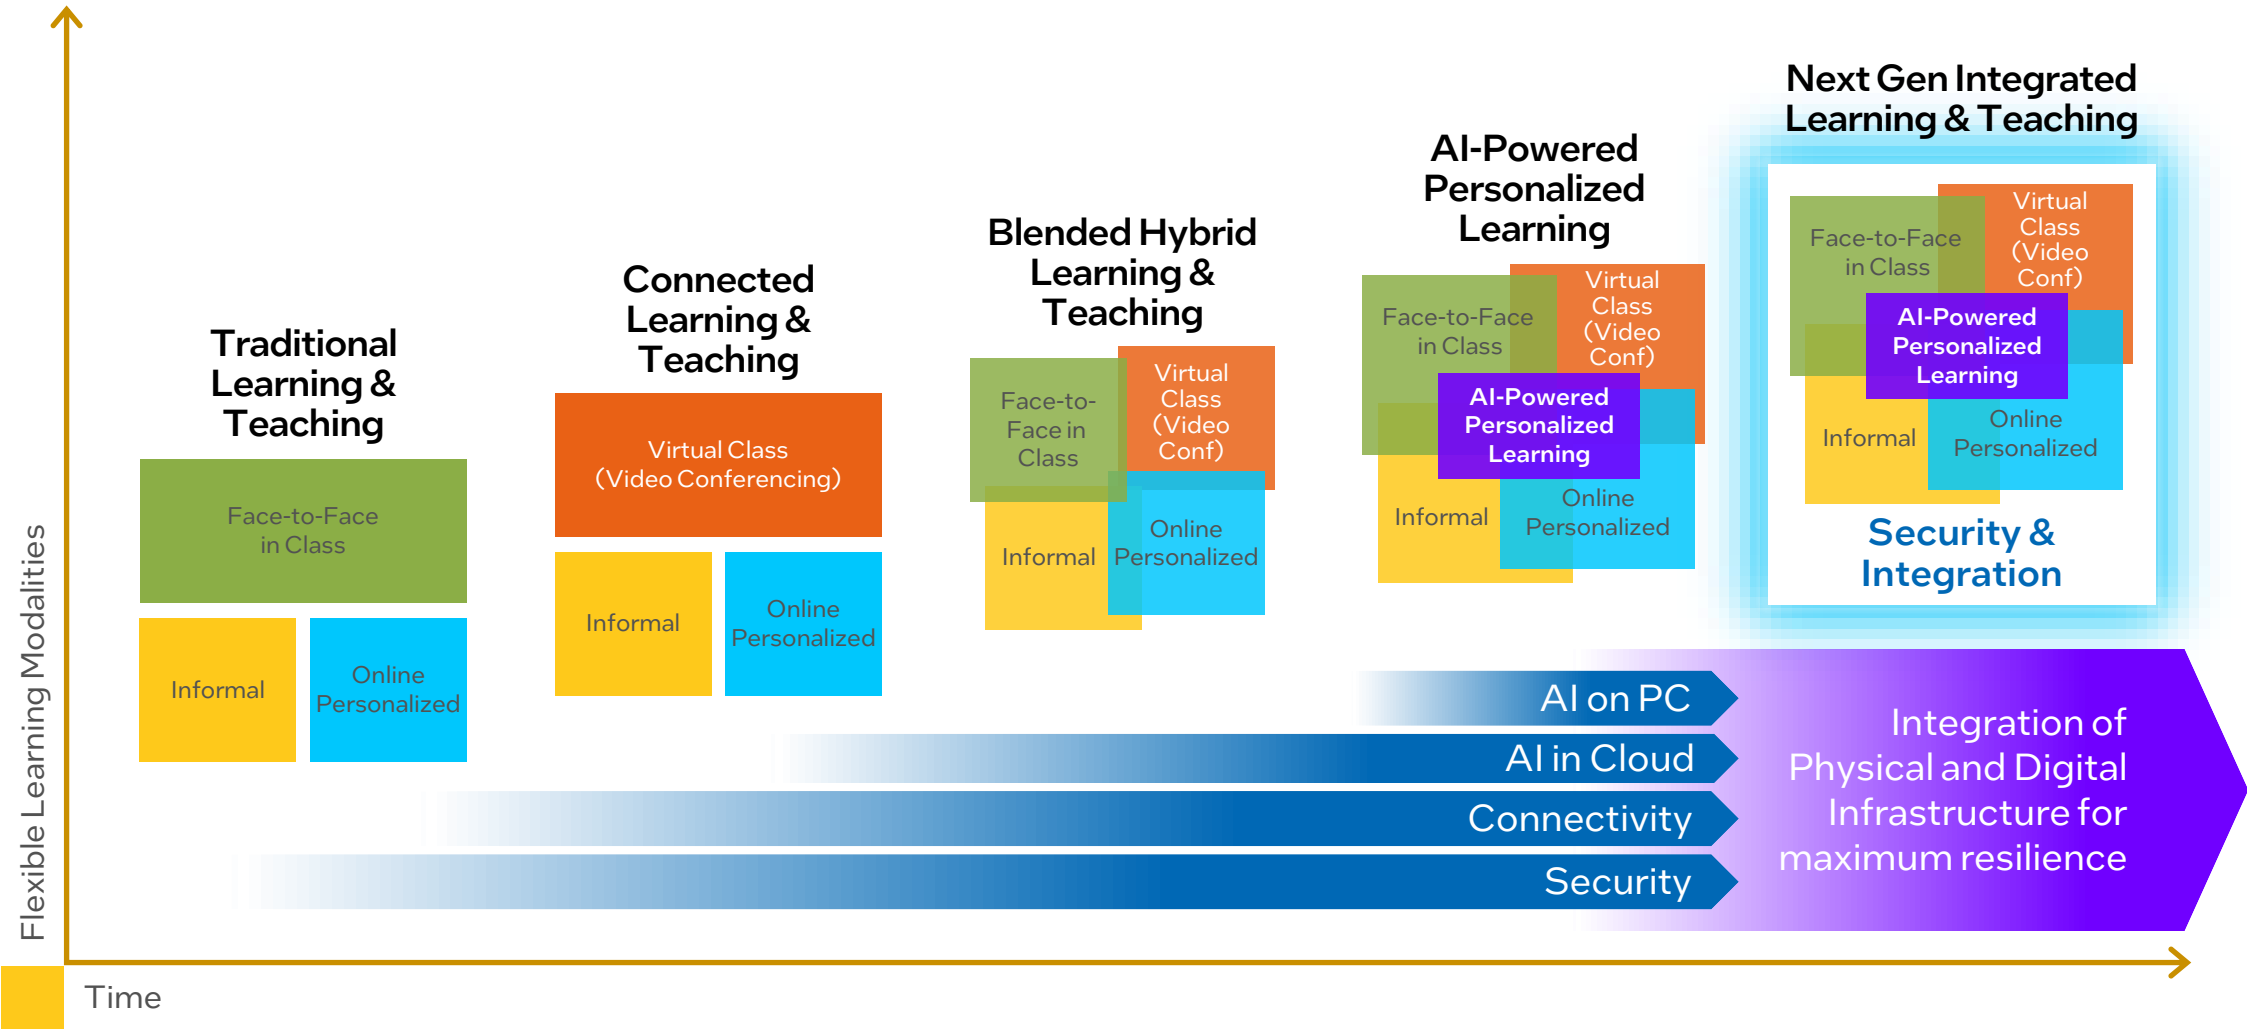

Intel vPro® Enterprise can be optional in certain brand models and must be requested before placing the order. The offering may vary by country and by configuration. The content presented in this documentation was compiled as a courtesy and for informational purposes only. Do expect information to change over time. Please ensure you have the latest version. **Contact your OEM representation to confirm accuracy, including but not limited to product details, configurations, and product availability.**

Statements in this document that refer to plans or expectations are forward-looking statements. These statements are based on current expectations and involve many risks and uncertainties that could cause results to differ materially from those expressed or implied in such statements. Intel does not control or audit third-party data. You should consult other sources to evaluate accuracy.

Evolving Learning Modalities

Find the Right Form Factor to Match Students' Learning & Lifestyle

Mobile Productivity For Students

2-in-1's

Notebooks

Thin and light devices
Integrated graphics for streaming and collaboration
Long battery life, fast connectivity, and performance on the go

Mobile Power For STEAM+ Students

2-in-1's

Notebooks

Mobile Workstations

Uncompromised performance with good memory capacity and bandwidth
Seamless support for multiple HD displays
Strong video and graphics rendering
Faster connectivity and long battery life and performance on the go

Labs

Small Form Factor PCs

Mobile Workstations

Desktops

Gaming Workstations

Uncompromised performance with good memory capacity and bandwidth
Seamless support for multiple HD displays
Strong discrete graphics capabilities and support for certified applications

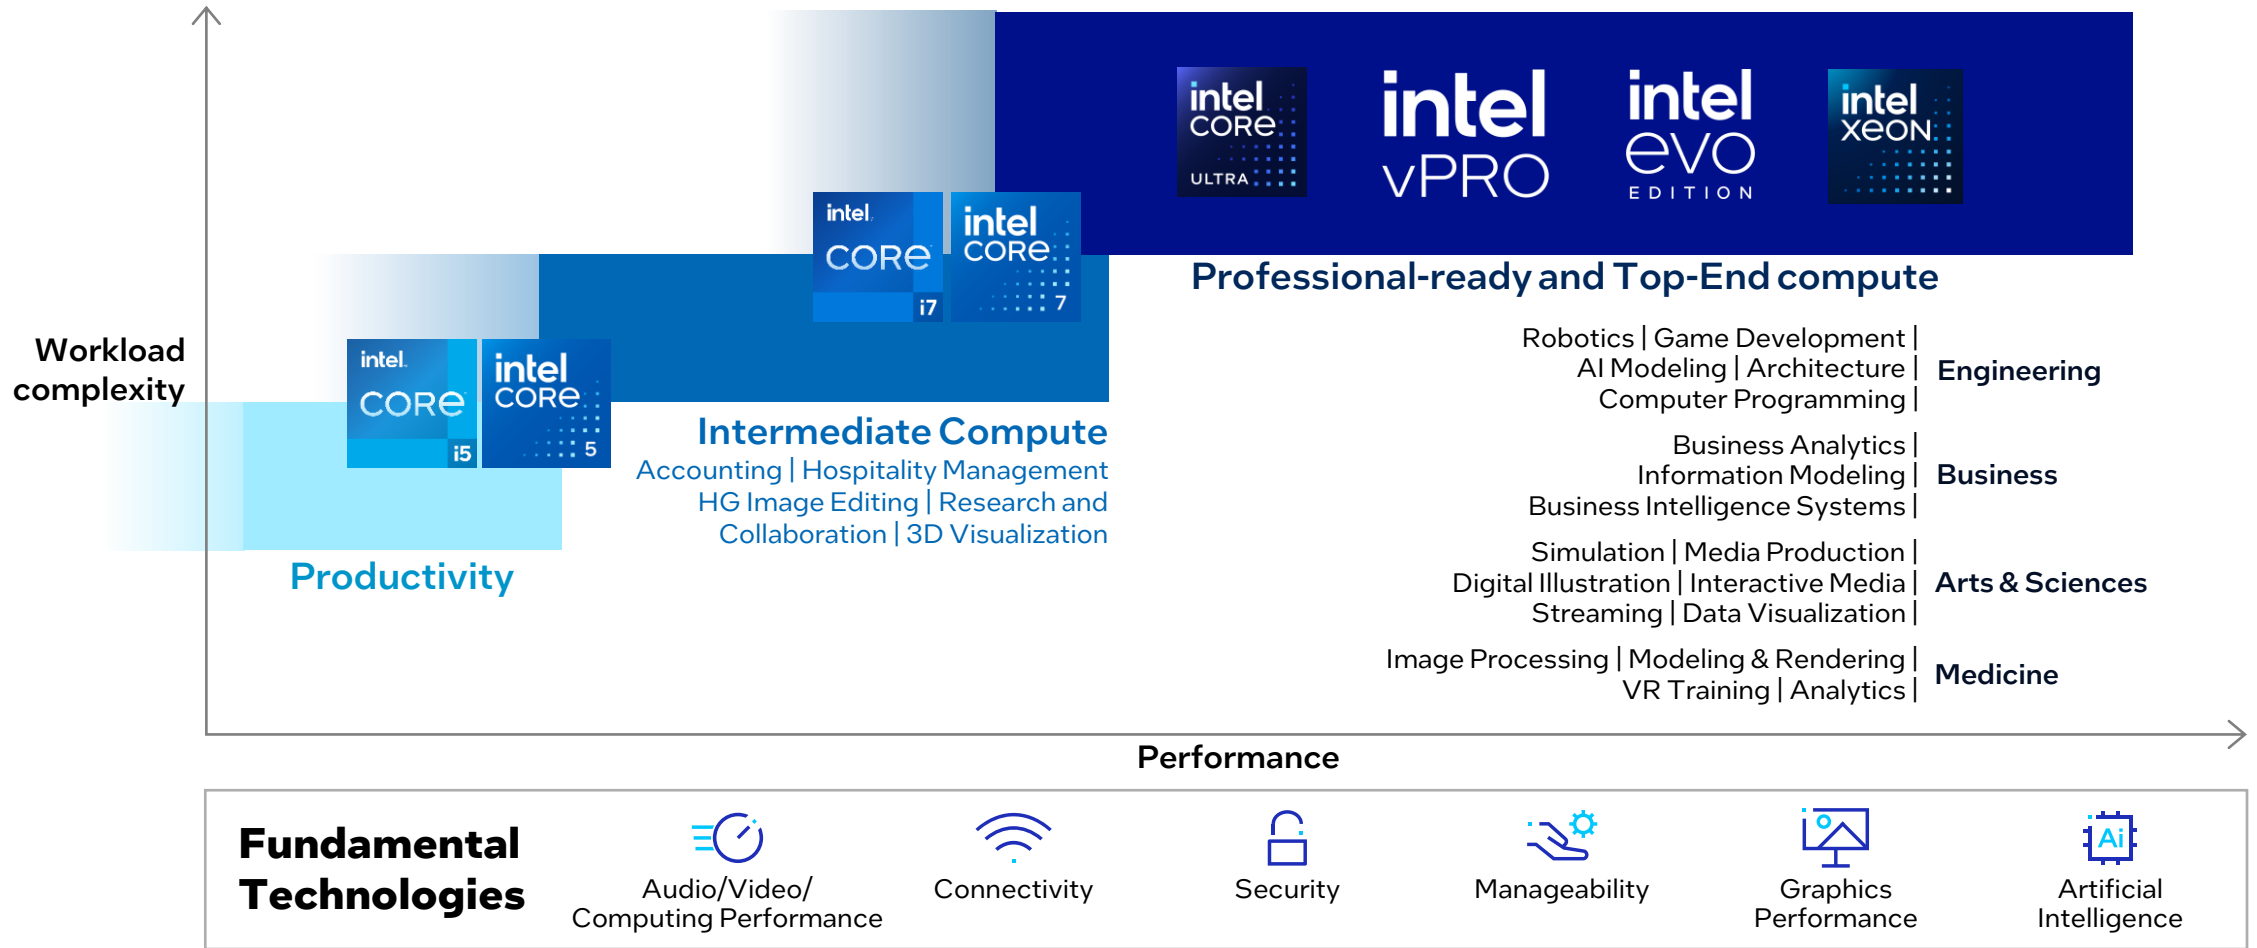

Intel works with industry partners to provide end-to-end sustainability and professional-grade features that maximize your technology investment.

Intel Delivers a Variety of Choices for All Learners

For Intel vPro® for Windows systems only; OEM enabling varies; not available on ChromeOS. Intel® Core™ Ultra processors specifically recommended for Labs and CET environments

Intel Delivers a Variety of Choices for Educators

For Intel vPro® for Windows systems only; OEM enabling varies; not available on ChromeOS.

Bringing AI Everywhere to Deliver Innovation and Value

Students and Educators

Better Experiences

Immersive and personalized learning
Advanced media creation
Advanced specialized labs
Esports

New Offerings

Teaching Assistants and tutoring
Digital skills building
Assistance for students
with special needs

Operations

Increased Efficiency & Safety

Edge to cloud secure connectivity
Safe and secure campus environment
Energy efficient smart buildings
Cybersecurity

Innovation

New Capabilities

Behavioral and situational analytics solutions
Administrative task automation
AI-powered IT Operations (AIOps)

AI

IT Teams and Administrators
