Intel® Stratix® 10 Device Datasheet Update

Description:

Intel® Network & Custom Logic Group (formerly Intel Programmable Solutions Group, Altera) is notifying customers of an important documentation update for Intel Stratix® 10 devices.

Please review the revision history in the Intel Stratix 10 device datasheet for the complete history of updates. The Intel Stratix 10 device datasheet can be found here:

Recommended Actions:

Customers are requested to take note of the changes and determine the impact on their designs.

For questions or support, please contact your local Field Applications Engineer (FAE) or submit a service request in the My Intel support page.

Products Affected:

All Intel Stratix 10 devices.

The list of affected part numbers (OPNs) can be downloaded in Excel form: https://www.intel.com/content/dam/www/programmable/us/en/pdfs/literature/pcn/adv1915-opn-list.xlsx
Reason for Change:

It is necessary to update the datasheet with the new specifications, as the previous specifications were determined to be inaccurate. There is no change to the Intel Stratix 10 product silicon and materials.
