

PRODUCT DISCONTINUANCE NOTIFICATION

PDN2029

Description:

Intel is discontinuing selected Intel® Stratix®10 Engineering Samples (ES) ordering part numbers (OPNs). The ES part numbers are to be replaced with the production OPNs for procurement of Intel® Stratix®10 products.

Recommended Action:

The OPNs in the "Replacement Production OPN" in Attachment 1 are the final, mass production equivalents of the corresponding ES OPNs. Customers are requested to do the following:

- a) Convert existing ES OPN orders to production OPN orders.
- b) Update the customer's Material Requirements Planning (MRP), Enterprise Resource Planning (ERP), or documentation systems to specify the production OPNs on all future orders.

This change does not impact the form, fit or function of the products.

The production OPNs are available for order entry and ready for shipment. The ES OPNs will continue to be open for transactions on Intel systems until the Last Time Buy (LTB) date specified in Table 1. Authorized Intel distribution partners have until the NCNRR date to submit a Return Material Authorization (RMA) request for ES inventory to Intel.

Table 1

Milestone	Date
Date production OPNs are open for order entry and shipment	Now
Last Time Buy (LTB) date for orders using ES OPNs. Last day to submit a Return Material Authorization (RMA) request to Intel for any ES inventory. Note: After this date, ES OPN orders become Non-Cancellable, Non-Reschedule, Non-Returnable (NCNRR).	September 07, 2020
Last Time Ship (LTS) date	November 07, 2020

Products Affected:

The list of affected Ordering Part Numbers (OPNs) can be downloaded here: <https://www.intel.com/content/dam/www/programmable/us/en/pdfs/literature/pcn/pdn2029-opn-list.xlsx> or refer to Attachment 1.

Please refer to the contact information provided below for any questions or requests for assistance.
