1.3 SerialLite II v16.0

Table 3. v16.0 May 2016

Description	Impact
Arria 10 devices are indirectly supported by the SerialLite II IP core version 15.0 and later. If your design needs to implement the SerialLite II interface in Arria 10 devices, contact your local Altera representative or file a Service Request (SR) to obtain a design example, a guideline document, and a special license to enable the Quartus Prime software to generate the FPGA configuration file (.sof).	-
