INTEL®-POWERED 2 IN 1s FOR EDUCATION

Let students tap, type and collaborate their way to real-world success.

The latest Intel-powered 2 in 1s for the classroom give students fast, back and forth flexibility between the touch screen ease of a tablet and the full performance of an Intel-powered laptop. Use the tablet mode for apps, viewing and classroom sharing. Use the laptop mode for creating and keyboard functionality. It’s an educational win-win.

Leverage this opportunity and sell more Intel-powered 2 in 1s in Education.
