# INTEL ENVIRONMENTAL COMPLIANCE

**What:** Intel Environmental Compliance (EC) Data Management System
**Who:** All users of the EC Data Management System
**Date:** October 16, 2017

Dear Intel Suppliers,

The purpose of this message is to inform you that the Material Content Declaration (MCD) tool has been updated to include multi-level BOM capabilities while creating a new material declaration.

For more information about how to use MCD, please review the training found in Module 5.

Supplier EC Portal questions: please submit ticket for On-line Support or contact your Intel Supplier Manager.

Sincerely,
Intel Product Ecology Team
