

Acceptable On-Site Face Coverings

Adhere to the following guidelines to ensure compliance with on-site facemask protocol. (Oregon, New Mexico and Hudson sites have unique requirements)

- Facemasks must completely cover the nose and mouth and fit snugly against the sides of your face
- Facemasks must be worn when on-site unless these circumstances apply:
 - Facemasks must be worn in cafés except when eating or drinking
 - Facemasks can be removed when seated at assigned personal seating (except in trailers) or when crossing outdoor areas provided social distancing is maintained

Acceptable face covering options that cover the mouth and nose (must all be at least two layers)

Facemasks

Gaiters

Acceptable clean room options

Hood + mask when the hood does not cover the mouth and nose

Hoods that cover both the mouth and nose

Unacceptable face covering

Facemask with valve
